

Veterans Welcome!

In 1991, VetFran was created by the International Franchising Association (IFA) to provide veterans and their spouses' access to franchising opportunities. Mobility City is a proud member of VetFran.

As a U.S. veteran, Mobility City is pleased to honor your service and sacrifice to our beloved country by extending a \$3,500 credit toward the franchise fee to prospective and qualified Mobility City franchisees. Also, if you are in need of financing the SBA has waived their "Guarantee Fee" for Veterans.

If you're looking to run your own company in a mobile "mission-driven" environment which serves disabled veterans and your community-at-large...***then Mobility City is your future!***

Think of it...A Branded Van and a All-inclusive iPad Pro and You're in Business!

Give us a call at 1-800-306-0133 and ask to speak with a **veteran franchise specialist.**
